

# Calculating my GPA

List the courses you have already taken or will be taking next semester. Next to each course you have already completed, write the grade you received and the associated grade point. Next to each course you have not yet completed, write the grade you hope to receive and the associated grade point.

**A** = 4.0, **A-** = 3.7, **B+** = 3.3, **B** = 3.0, **B-** = 2.7, **C+** = 2.3, **C** = 2.0, **C-** = 1.7, **D** = 1.0, **F** = 0

## First Semester GPA

### Step 1)

Add up the total grade points you received for your first semester courses

Total Grade Points \_\_\_\_\_

### Step 2)

Count the number of courses you took during the first semester

Number of Courses \_\_\_\_\_

### Step 3)

Divide the total grade points by the number of courses to obtain your GPA

First Semester GPA \_\_\_\_\_

## First Semester: Courses, Grades, and Grade Points

| Course | Letter Grade | Grade Point |
|--------|--------------|-------------|
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |

## 6to16 Lesson Plan

### First Semester GPA

#### Step 1)

Add up the total grade points you received for your second semester courses

Total Grade Points\_\_\_\_\_

#### Step 2)

Count the number of courses you took during the second semester

Number of Courses\_\_\_\_\_

#### Step 3)

Divide the total grade points by the number of courses to obtain your GPA

Second Semester GPA\_\_\_\_\_

### Second Semester: Courses, Grades, and Grade Points

| Course | Letter Grade | Grade Point |
|--------|--------------|-------------|
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |
|        |              |             |

### Projected 6<sup>th</sup> Grade GPA

#### Step 1)

Add up the total grade points you received for your first and second semester courses

Total Grade Points\_\_\_\_\_

#### Step 2)

Count the number of courses you took during the first and second semester

Number of Courses\_\_\_\_\_

#### Step 3)

Divide the total grade points by the number of courses to obtain your GPA

Projected 6<sup>th</sup> Grade GPA\_\_\_\_\_
